Vonage[®] Launches Service in Wichita, Kansas

Unlimited Local and Long Distance Calling Comes to the Pioneering City

Edison, NJ, November 13 – Vonage, a leading provider of broadband phone service, today announced the availability of service in Wichita, Kansas.

High-speed Internet subscribers in the Heartland can now take advantage of Vonage’s broadband phone service offering free unlimited local and long distance calling, which includes the most popular features like call waiting, call forwarding and voicemail for one low, flat monthly rate. Vonage customers within Wichita can now keep their current numbers or choose telephone numbers within the popular **(316)** and **(620)** area codes.

“Vonage is rekindling the area’s pioneering spirit by offering residents and small businesses within Sedgwick County an alternative to high-priced incumbent telephone service and an opportunity to select from any one of our revolutionary service plans,” said Jeffrey A. Citron, chairman & CEO of Vonage. “We’re giving people in the sunflower state’s largest city a great deal: free unlimited local and long distance calling, including all of the features, for an attractive price – all things they cannot get from their local or long distance phone companies.”

Using the latest technology, Vonage sets the standard for the new generation of phone service with residential and business calling plans:

- Residential Premium Unlimited Plan - \$34.99/month for unlimited calling throughout the United States and Canada.
- Residential Unlimited Local Plan - \$24.99/month for unlimited local calling plus 500 minutes of United States long distance and Canadian calling.
- Small Business Unlimited Plan - \$49.99/month for unlimited calling throughout the United States and Canada, including a free dedicated fax line.
- Small Business Basic Plan - \$39.99/month for 1500 minutes of calling throughout the United States and Canada, including a free dedicated fax line.
